Value Proposition: As a full service employee benefit brokerage firm, CBC partners with small and medium-sized employers to develop unique, cost effective strategies focused on providing employees high quality benefit coverage. Our relationships with all major insurance markets allows us to provide solutions for a group's medical, dental, life, disability, long-term care and vision plan challenges. CBC is a member of United Benefit Advisors (UBA), the nation's largest alliance of independent insurance professionals. This exclusive alliance enables CBC to differentiate our firm from our competitors by offering services not generally available to small and medium-sized employers.
